TETON TREK II

SEPTEMBER 8-15, 2013

Leaders: JOHN CAMPBELL and ELLEN CHILIKAS

4 nights in Jackson Hole and 3 nights in Teton's Colter Bay, Wyoming

Bike 3 days in and around Jackson Hole then, on the free day, drive to Colter Bay near Yellowstone; followed by two days of riding in Yellowstone.

Most rides are 30-40 miles long, with one long loop of 60 miles. Some moderate climbing. There are also lots of hiking options for those who don't want to bike every day. These have not been scouted, so if you want to hike, please do some research prior to the trip.

We did a slightly shorter version of this trip in 2007 and everyone who went had a great time. We are adding an extra day in the Colter Bay cabins since everyone enjoyed them so much. We are looking forward to having you come and play with us in Wyoming's playground!

Jackson Hole is 500 miles from Denver.

The cost of the trip is \$625 and includes the following: 7 nights double occupancy lodging, a pre-trip planning and information party, continental breakfasts at the motel in Jackson, a few happy hours, and possibly a dinner near Colter Bay. All route maps for the rides are also included. The cost does not include your meals on the trip, unless mentioned above.

Required is a trip deposit of \$125.00 (make the check out to Ellen and post date the check to 5/1/13) and the tour forms located here: www.dbtc.org/OTT_Index.aspx

Mail it all to:

Ellen Chilikas

PO Box 471803, Aurora, CO 80047

The additional \$500.00 is due by July 1, 2013

If you have any questions, you can contact John Campbell at jwc@rmi.net or Ellen Chilikas at outdoorsdiva@yahoo.com.

Weekday Skiing with DBTC

Lin Hark and Sue Frakes will be leading weekday ski trips to Loveland, Winter Park and possibly Ski Cooper this season. If you would like to join these trips you will want to be on the Yahoo Group list. Loveland will be doing the Ski Hooky Days which are the first Thursday of the month December - March.

Ski Cooper's Senior Days are on the first and third Wednesdays of January, February, March and April. The rate is \$27 for age 55-69 and \$15 for 70+. So we may schedule a couple of days at Ski Cooper.

Watch for updates and more info on the yahoo group emails. There may be some snowshoe and cross country ski days too so watch for these too.

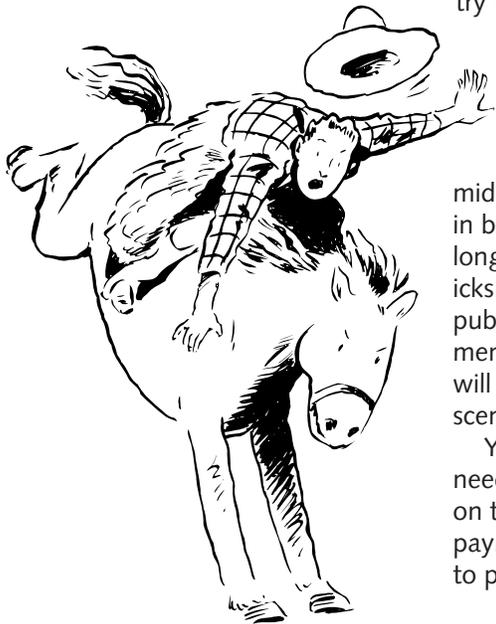

To join the Colorado Bicyclist Yahoo Group send blank email to ColoradoBicyclist-subscribe@yahoogroups.com . See you on the slopes!

Tentative ski dates: December 14, 2012 Loveland Ski Hooky Day **See you on the slopes!**

2013 TEXAS HILL COUNTRY

April 6th-12th, 2013

Don and Marilyn Swett

Sign up early to get a spot. Low cost trip price of \$40 per person does not include accommodations. (If budget is no problem consider the Adventure Cycling Hill country tour during the same time frame for \$1099.) The main location for camping will be at the Lady Bird Municipal Park, with tent camping at about \$10 per night and RV camping at roughly \$30/night. There are a number of B&Bs and motels nearby in Fredericksburg. There will be 6 days of riding with an optional 7th day for more riding or sightseeing.

We will be staying near the Historic German town of Fredericksburg, right in the middle of the Texas Hill Country. This is the spring flower season with the Blue Bonnets in bloom as well as other wild flowers. Rides will be approx. 20-40 miles in length (with longer options). Expect some hills, some new routes and fewer Bugs (VW type)! Fredericksburg offers unique German cuisine as well as local Tex-Mex, local wineries and brew-pubs. Shoppers will find over 150 boutiques, art galleries and antique emporiums, not to mention an herb farm, wildflower farm, and National Museum of the Pacific War. Rides will be loop types with different start/stop locations, and will highlight the local history, scenery, LBJ Ranch, Stonehenge II, wineries and more.

You must set up your own reservations for RVs, Motels, and B&Bs. Tenters do not need to make reservations at the Lady Bird Park. Marilyn & Don Swett will be your hosts on this ride. If interested, contact Don at don_swett@comcast.net. We will need to have payment and signed waivers by March 1st, 2013. You must be current member of DBTC to participate in out-of-town rides.

5th Annual Fraser Fun Weekend

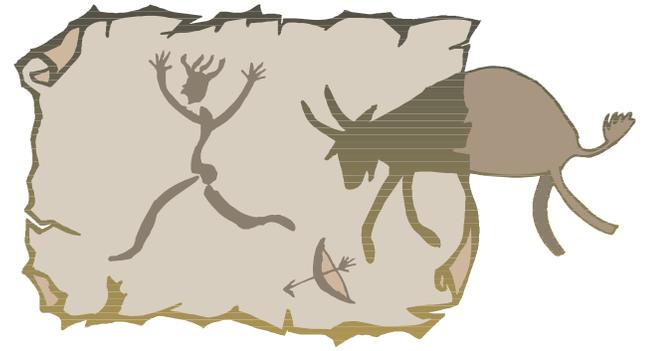

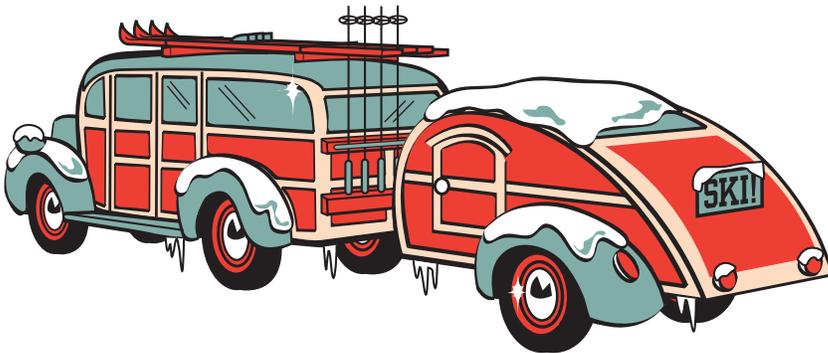

(MLK Weekend)

January, 18th to Monday, January 21st

We've shortened the trip to 3 nights to make it more affordable.

Downhillers can ski Winter park or Sol Vista, XC skiers and snowshoers can explore the Nordic centers, the Fraser Experimental Forest and even wander up around Granby. We'll have a continental breakfast daily, plus evening happy hours. Double occupancy - expect costs to be ~\$215 per person for 3 nights. \$100 deposit due now to hold your spot, final payment is due December 1st. Contact Ellen (outdoorsdiva@yahoo.com) with questions.

Please send your deposit check (made out to Ellen Chilikas) with the DBTC tour forms (www.dbtc.org/OTT_Index.aspx) to Ellen at PO Box 471803, Aurora, CO 80047. You must send both a check and your forms to hold a spot.

ABQ Multi-Sport Trip:

Sunday 5/12 - Saturday 5/18/13

Ellen Chilikas and Karen Jenneman will be leading a week-long trip exploring Albuquerque, NM. ABQ is about an 8 hour drive from Denver. We are planning Intermediate level rides on the Rio Grande trail, an out-and-back ride to Bernalillo with an optional climb to Jemez dam, some jaunts to/through the nearby national Forests, and a visit to petroglyphs and volcanoes. We haven't finished scouting this yet, but what we've found so far looks like lots of fun.

We'll be staying at a fabulous hotel adjacent to the Plaza which affords plenty of dining and cultural activities. Bike rides will be offered on all days, but there will be other options available to hike and explore the area. Estimated trip cost is \$550/person double occupancy which includes several happy hours and a group dinner. We will have definitive trip details in December. To put your name on the "I'm Interested" list, please send an email to Ellen at outdoorsdiva@yahoo.com

NOTE: This tour ends the day before the Santa Fe Century, so if you want to do the Century ride, all you'll need to do is drive to Santa Fe on Saturday and spend the night.

Don't be a "Ninja"!

Reminder to winter commuters: please put a yellow or reflective vest over your winter coat. Drivers aren't looking for bikes and you are practically invisible with your dark jacket in the evening. Be prepared—and be seen—after dark!

DBTC FALL-WINTER FUN RIDES 2012

Fall is officially here. Our ride coordinators are taking a much-deserved break. Late fall and winter riding conditions make it difficult to pre-plan rides. If it is cold and blowing, the ride leader may not want to roll out to lead a promised ride—especially since he or she might be the only person to brave the elements. Therefore, our scheduled rides become Show-N-Go, with a few holiday or special events.

Rides are cancelled if the temperature is below 40 degrees at start time or it is raining or snowing.

If you'd like to include an activity in the newsletter, please email it to ridecoordinator@dbtc.org by December 20th for the January/February newsletter, or contact Patty at 303-989-8268.

Many of our members love winter sports and want to continue enjoying the outdoors with their DBTC friends. The DBTC Message Board will be our main means of communication through the winter months. If you'd like to post an event, simply go into the site. Remember not all members have email so if you have it in the newsletter all members are notified.

| Pace of Ride | Difficulty of Terrain | Mileage | Quadrant of City | Departure Time |
|--|---|--|---------------------------|--|
| Roses – Leisure Fun – Comfortable Int. – Brisk Road – Fast ATB – Unpaved Roads MTB – Mountain Bikes | H1 – Flat H2 – Some Hills H3 – Hilly H4 – Serious climbs Two ratings: Technical skill T1 to T4 and Physical exertion P1 to P4 | This is an estimate – options may be offered | NW NE SE SW W | Arrive early enough to unload your bike and be ready to leave. |

Ride Locator: There is a guide to the most frequent start locations on our website, www.dbtc.org. It provides the information you need to use Map Quest to make a map to the starting location.

If you'd like to include an activity in the newsletter, please email it to ridecoordinator@dbtc.org by the 10th for the following newsletter or contact **Patty** at **303-989-8268**.

- If your e-mail address changes, you must send your new e-mail address to both the Yahoo Group and to the DBTC webmaster (webmaster@dbtc.org)
- The DBTC Website operates independently from the Yahoo Groups. The Yahoo Groups send only e-mail messages concerning some upcoming events. The DBTC monthly Newsletter, The Colorado Bicyclist, is sent to you from the DBTC Website via e-mail only if you have so requested.

Be Ready To Ride: DBTC Ride Leaders and members are NOT bike mechanics. Before showing up for a ride, check your tubes and tires. Fix flats in advance of start time. Check your brakes and shifters, and, if any part of your bike needs maintenance, take it to an authorized mechanic. A complete tune up once a year is recommended. Your ride is only as safe and enjoyable as the condition of your bike.
